# Foreword

Dear Colleagues,

It is with immense pleasure and a sense of great pride that I present this foreword for the annual report of Zakir Husain Delhi College. As the Principal of this esteemed institution, I am delighted to witness the remarkable progress and achievements we have made over the past four years, especially in the wake of the challenges posed by the global pandemic.

The COVID-19 pandemic forced us to adapt and innovate swiftly, ensuring that the learning process continued uninterrupted. Our college community, comprising of dedicated faculty members and enthusiastic students, rose to the occasion, demonstrating resilience and determination in the face of adversity. Together, we have successfully navigated through these challenging times, emerging stronger and more united than ever before.

One aspect that deserves special mention is the regularity in faculty promotions and appointments. Recognizing the invaluable contribution of our faculty members, we have diligently worked towards their professional growth, enabling them to excel in their respective domains. Their expertise and commitment have been instrumental in providing quality education and fostering an environment conducive to holistic development.

The zeal and enthusiasm exhibited by our students and faculty members in organizing a wide array of activities is truly commendable. Our college has become a hub of creativity and innovation, offering a platform for students to explore their talents and interests beyond the confines of the classroom. These initiatives, combined with a well-structured academic calendar, have facilitated a holistic learning experience, nurturing the intellectual, social, and cultural dimensions of our student's lives.

As we celebrate this annual day, let us take a moment to reflect upon our achievements, appreciate the collective efforts that have brought us here, and envision the future we aspire to create. The progress we have witnessed is a testament to the unwavering commitment and dedication of every member of the Zakir Husain Delhi College community.

I extend my heartfelt gratitude to the faculty, non-teaching staff, students, parents, alumni, and all stakeholders for their unwavering support and trust in our institution. Together, we shall continue to strive for excellence, fostering an inclusive and progressive learning environment that empowers our students to become responsible global citizens.

Wishing all of you a successful and fulfilling journey ahead.

Prof. Narender Singh  
Principal,  
Zakir Husain Delhi College

Under the esteemed DBT-Star College Scheme, a wide range of activities were successfully organized throughout the academic year 2022-2023. These events aimed to enhance the knowledge and skills of students in various disciplines. Notably, the Department of Zoology conducted two impactful workshops during the year. The first workshop, titled "Understanding the Technique of Histology," took place from September 12th to 17th, 2022. The second workshop, focusing on "Techniques for Gene Expression Analysis," occurred from December 22nd to 28th, 2022. Both workshops were specifically tailored for B.Sc. (Hons.) zoology and B.Sc. (Prog.) life sciences students, aiming to familiarize them with essential techniques such as histological slide fixation, microtomy, RNA isolation, PCR, and gel electrophoresis for gene

expression analysis. Furthermore, the Department of Mathematics organized a highly beneficial one-week national workshop on "Manipulation and Realization of Data through R" from December 16th to 21st, 2022. Additionally, an enlightening workshop on "Introduction to Python for Meta-analysis of Data" was conducted from November 1st to 5th, 2022. Moreover, the department hosted a one-day seminar on intellectual property rights on October 1st, 2022. Under this scheme, a research article titled "Estimating the Parameters of Covid-19 Cases in South Africa" was published in Biosciences Biotechnology Research Asia, Volume 19 (1): 153-162, in 2022. This publication stands as a testament to the valuable research conducted under the DBT-Star College Scheme. Lastly, the Department of Electronics organized a captivating lecture on "Magnetic Nanostructure and Nanodevices" on January 31st, 2023. This lecture provided participants with valuable insights into the fascinating field of electronics. These endeavours undoubtedly contributed to the holistic development of students and the advancement of knowledge in their respective disciplines.

### **31. Electronics Society**

**Convenor: Dr Parvesh**

The Department of Electronics organized a five-day national workshop in a hybrid mode from November 01-05, 2022. The workshop featured a lecture on "Introduction to Python for Meta-Analysis of Data" by Prof. Shikha Mehta from the Department of Computer Science and Engineering. The session was followed by a rapid-fire round to familiarize students with the concept of Meta-analysis in Python Programming. Certificates of participation were awarded to the attendees, acknowledging their active engagement and learning. In collaboration with the Internal Quality Assurance Cell, the Department of Electronics also organized a lecture on "Magnetic Nanostructures and Nanodevices" on May 31, 2022. Prof. Bijoy Kumar Kuanr from the Special Centre for Nanoscience at Jawaharlal Nehru University delivered the lecture, providing valuable insights into this emerging field. Lastly, the students of the 1st and 2<sup>nd</sup> years organized a farewell event for the seniors (batch 2020-2023) filled with various activities. This heartfelt gesture created a memorable experience for every student and teacher from the Electronics Department, fostering a sense of unity and camaraderie.

## A. Achievements of Faculty Members

**Prof Narendra Singh**, Principal of the College, represented India in a research coordination meeting held in Vienna, Austria, in October 2022. He delivered a talk during the meeting on "Excitation energies, radiative data, and collisional excitation cross-section of Sn and W ions." Additionally, in the academic year 2022-23, Prof Narendra Singh published four research papers in Scopus-indexed journals. These papers cover a range of topics, including the analysis of line intensity ratios for optical transitions of Fe III ion, theoretical studies of atomic parameters and electron impact excitation in Sn ions, theoretical analysis of atomic parameters in W ions, and the study of excitation energies and spectral lines in W and Au transitions.

Represented India in a research coordination meeting held in Vienna Austria from 19th-21st October 2022 and delivered a talk on "Excitation energies, radiative data and collisional excitation cross-section of Sn and W ions".

### Publications:

1. Analysis of line intensity ratio for optical transitions of 3d6 levels and plasma screening effect on the atomic structure of Fe III ion. *Radiation Physics and Chemistry*, 206, 110795, (2023).
2. Theoretical study of atomic parameters, electron impact excitation, and photoionization of 4d and 4d2 states in Sn ions. *European Physical Journal Plus*, 137, 1054, (2022).
3. Theoretical analysis of atomic parameters of Sm-like and Nd-like W ions in soft X-ray region. *Physica Scripta*, 97, 075401 (2022).
4. Study of excitation energies of doubly excited states and identification of EUV, SXR and HXR spectral lines in M1 transitions of W LXXIII and Au LXXVIII. *Journal of Electron Spectroscopy and Related Phenomena*, 257, 147205 (2022).

**Dr Mohd. Qasim** is a faculty member in the Arabic Department. He has published a research paper titled "India As Depicted In Modern Arabic Travelogues" in the *Journal of the Asiatic Society of Mumbai*, a UGC Care-listed Journal. He presented a paper on "The Arab Feminist Novel and Arab Women's Issues: A Critical Study" at an International Conference on the Development of Arabic Literature. Additionally, he presented a paper on "Features of Indian Society in Contemporary Arab Travel Books" at an International Seminar on Indian Culture and Civilization.

### Publications:

3. "Malaamih al-mujtamae al-hindii fi kutub al-rihlaat al-Arabia al-mueasira" (Features of Indian Society in Contemporary Arab Travel Books). Paper presented at the International Seminar on "Indian Culture and Civilization in the Writings of Arabs and non-Arabs," Department of Arabic, University of Delhi, March 15-16, 2023.

### Coordinator-ships:

1. Ghaziuddin Khan Lecture-8 on "Shamsul Ulama Deputy Nazeer Ahmad: Delhi College's Most Eminent Arabic Poet & Writer." Lecture delivered by Prof. Shams Kamal Anjum, BGSBU, on January 11, 2023.
2. Special Lecture-3 on "India-Arab Relations: Understanding the Old & New Trajectories." Lecture delivered by Dr Suhaib Alam, Department of Arabic, JMI, New Delhi, on February 16, 2023.
3. Mamlukul Ali Lecture-5 on "Use of Information Technology in Learning and Teaching of Arabic Language." Lecture delivered by Prof. Naimul Hasan, Head of the Department of Arabic, University of Delhi, on April 29, 2023.

**Dr Md. Obaidullah Urf Mohiuddin** is a faculty member in the Arabic Department. With expertise in Arabic handwriting and calligraphy, he delivered the Ghaziuddin Khan Lecture-8, focusing on the completion of Arabic calligraphy. Additionally, Dr Mohiuddin has given three Special Lectures and delivered the Mamlukul Ali Lecture-5. His contributions in the field of Arabic language and calligraphy make him an asset to the department.

**Dr Sharmistha Sen** from the Bengali Department recently achieved notable milestones in her academic career. She published a paper in a peer-reviewed journal, highlighting her research expertise. Additionally, she attended a seminar at Miranda House on Bengali Poetry, focusing on the theme of "75 Years of Independence." She also had the opportunity to read poetry at the Zakir Husain P.G. Evening College. Furthermore, Dr Sen presented a paper on "Naarivaad O Naarivadi Sahitya" at the Bengali Book Fair organized by the Bengal Association. All these events took place in February and March 2023 and received national recognition.

#### Seminars:

1. Attended a seminar in Miranda House on Bengali Poetry on 24th February 2023 on '75 Years of Independence' (National) (2023).
2. Read Poetry in the Zakir Husain P.G. Evening College on 22nd March 2023 (National) (2023).
3. Presented Paper on 'Naarivaad O Naarivadi Sahitya' in Bengali Book Fair organized by Bengal association, 13th March 2023 (National) (2023).

**Dr Babeeta C. Kaula** is a faculty member in the Botany Department. Her research focuses on phytoconstituents and ethnopharmacological activities of *Abrus precatorius* L. (Fabaceae). She has published a review article on this topic in the journal *Vegetos*. Dr Kaula has participated in various academic events, including an International Conference cum Workshop on Proteomics, Transcriptomics and Molecular Drug Design and a National Webinar on Experiential Learning as Envisaged in NEP 2020. She has also attended a two-day online workshop on the National Education Policy 'NEP' 2020 at Mahatma Hansraj Faculty Development Centre.

#### Presentations and Workshops:

1. International Conference cum Workshop on Proteomics, Transcriptomics and Molecular Drug Design: An Integrated Omics Approach. Paper presented at the conference held at Zakir Husain Delhi College (2022).
2. National Webinar entitled 'Experiential Learning as Envisaged in NEP 2020'. Presentation delivered at the webinar organized by the GADTLC, Ministry of Education, Government of India (2022)
3. Two-Day Online Workshop on National Education Policy 'NEP' 2020: A Paradigm Shift in Education Sector. Workshop conducted at Mahatma Hansraj Faculty Development Centre, Hansraj College, (2022, June 6-7).

#### Workshops Organized:

1. Handmade Paper Workshop. (2022, June 21-22). Workshop organized for students across various disciplines. The workshop focused on handmade paper and product making, allowing participants to create valuable products.
2. Seedball Making Workshop. (2023, February 8). Workshop organized by 'Aranya' - The Nature and Environment Society of Zakir Husain Delhi College, in collaboration with the Garden and Greening Committee. The workshop, conducted by Mr Mohit Relan, aimed to educate students from various

disciplines about the plantation, gardening, and environmental conservation. The event was attended by students, society members, and faculty.

**Dr Savindra Kumar** from the Botany Department co-authored a chapter titled "Adaptation of Microalgae to Temperature and Light Stress" in the book "Plant Stress: Challenges and Management in the New Decade." The book, edited by S. Roy et al., is part of the Advances in Science, Technology & Innovation series. The chapter is available online and is numbered as Chapter 8. Additionally, Dr Savindra Kumar participated in an International Conference cum Workshop on Proteomics, Transcriptomics, and Molecular Drug Design: An Integrated Omics Approach. The event was organized by the Department of Botany, Zakir Husain Delhi College, University of Delhi, and took place in May 2022.

**Dr Deepika Sharma**, a faculty member in the Botany Department, has made significant contributions to the field of environmental science. Her research focuses on arbuscular mycorrhizas and their role in accelerating the degradation of colour-containing organic pollutants found in distillery spent wash leachates. This research, published in the Journal of Hazardous Materials, highlights the effectiveness of arbuscular mycorrhizas in mitigating environmental pollution. Dr Sharma's work demonstrates her expertise in the field and contributes to the understanding of sustainable solutions for managing industrial waste.

**Dr Zeeshan ur Rahman**, a faculty member in the Botany Department. He has published several peer-reviewed papers. In one study, he investigated the antagonistic activity of *Pseudomonas fluorescens* strain X1 against various *Fusaria* species and conducted in vivo analysis of its effectiveness against *Fusarium udum* infection in pigeon pea. Another paper authored by Rahman and colleagues is a comprehensive review on chromium (Cr) contamination and Cr (VI)-resistant extremophiles in diverse extreme environments. Additionally, Rahman and his team explored the paradigms of actinorhizal symbiosis in the context of global climatic changes, providing new insights and perspectives.

Publication:

1. Antagonistic Activity of *Pseudomonas fluorescens* Strain X1 Against Different *Fusaria* and its In Vivo Analysis Against *Fusarium udum* Infected Pigeon Pea. Current Microbiology, 80(3), 98, (2023).

**Prof. Usha Bansal** is a faculty member in the Chemistry Department. She has contributed to the field of food packaging by publishing a comprehensive review titled "Trends in Food Packaging: A Comprehensive Review" in the "Asian Journal of Chemistry". In addition to her research, Dr Bansal actively participates in conferences and academic events. She served as a resource person and organized the International Conference on "Advances in Chemical Sciences and Nanocomposites" at Zakir Husain Delhi College & ISAS in 2022. She also attended the International Conference on the "9th Asian Network for Natural & Unnatural Materials (Annum-9)" organized by the Department of Chemistry, University of Delhi, India on April 8th, 2022.

3. Green Approach to Reactions. Presentation delivered at the National Faculty Development Program on "Safer and Greener Chemistry Labs" organized by Guru Angad Dev Teaching Learning Centre, under the PMMMNMTT of Ministry of Education, 19th-25th July 2022.
4. Development of MOOCs, e-Content, and Teacher's e-Kit in Four Quadrant Format. Organizing Secretary for the Faculty Development Program organized by GAD-TLC under PMMMNMTT of Ministry of Education, 8th-14th December 2022.
5. Teachers as Mentors for Student Internships on "Cancer Awareness." Member of the Organizing Committee for the One-Week Online National Faculty Development Program organized by GAD-TLC and Indian Cancer Society under PMMMNMTT of Ministry of Education, 5th-11th July 2022.

**Prof. Mukesh Kumar Jain** is a distinguished faculty member in the Commerce department known for his expertise in the field of management and finance. He has made significant contributions through his research papers and presentations. His paper titled "A Study on Emerging Trends Cyber Crimes in India" was published in the TECNIA Journal of Management Studies, March 2023. Another notable publication, "Determinants of Whistleblowing Intentions," appeared in the BHU Management Review, in June 2022. He has also presented two research papers in national and international seminars. His research contributions demonstrate his dedication to exploring contemporary issues in management and finance.

Paper presented:

1. Comparative Study of Derivatives Market in India: Evidence from Gold and Crude Oil. Paper presented at the National Conference on Accounting, Finance, and Business, New Delhi Institute of Management, July 8-9, 2022.
2. Sustainability in Commodity Derivatives: Study of Agriculture and Energy Derivatives in India. Paper presented at the International Seminar on Digitising Easytising and Popularising Atmanirbharta, FMS Udaipur, December 16-17, 2022.

**Dr Reeta** is a faculty member in the Commerce Department who has made significant contributions to academia. In 2023, she authored a book titled "Cost Accounting – Principles and Practices: A Textbook for B. Com (Hons) and B. Com," published by Sultan Chand and Sons (P) Ltd. She has also delivered a lecture on "Atmanirbhar Bharat: Challenges and Opportunities" as a guest speaker at a conference-cum-national seminar organized by the Department of Commerce, Soghra College, Biharsharif. Dr. Reeta has presented papers on various topics such as the role of Corporate Social Responsibility (CSR) in an Atmanirbhar Bharat, the impact of social media on students' lives, and more. She has actively participated in national faculty programs and webinars, enhancing her knowledge and expertise in research methodology and journal authentication.

**Prof. P. K. Shishodia**, a faculty member in the Department of Electronics, has made significant contributions to the field of nanotechnology and thin film solar cells. He has recently published two research papers in reputed international journals and has another paper accepted for publication in a renowned conference proceeding. His research focuses on ZrS<sub>2</sub>-based heterostructures and their application in thin-film solar cells. In April 2023, one of his research students, Ms Shubhra Gupta, submitted her PhD thesis titled "Analytical Simulation of ZrS<sub>2</sub> based heterostructures for thin film solar cells." Prof. Shishodia's work demonstrates his expertise and commitment to advancing knowledge in the field of nanotechnology, semi-conductor material, thin films and solar energy.

**Dr Mukul Chaturvedi**, a faculty member in the English department, has made significant contributions to the field of literary analysis and critique. In 2022, she published a book chapter titled "Affective Witnessing: Testimony in the Age of Post-truth" in the book "Post-truth: Phenomenon, Impact and Consequences" edited by M. Asaduddin. She also wrote a book review article on "Yamuna's Journey" for Indian Literature, Sahitya Akademi's Journal, as well as an article on "A Living Tradition: Maulvi Badshah Husain Khan Rana's Urdu Ramayana" for the same journal. Dr Chaturvedi guest-edited a special Journal of Comparative Literature and Aesthetics issue titled "Writing Self, Writing Resistance: Women's Life Writing in India." She also published a book review article on "Joginder Paul and the Art of Fiction" in The Book Review. Additionally, she translated and published an article on "Ramayana" in Indian Literature. Dr Mukul Chaturvedi's research and contributions greatly enrich the field of literary studies and offer valuable insights into contemporary literature and cultural phenomena.

3. Online Training Program cum workshop on 'GIS Mapping for Disaster Mitigation and Risk Reduction' organized by Centre for Environmental Studies and Disaster Management, Miranda House in Collaboration with the National Institute of Disaster Management, from May 9-11, 2023.

**Dr Sunil Kumar** is a faculty member of the Zoology department. He has authored a chapter in the book *Human Reproductive Biology and Health*, Pearson Publishers. Under the aegis of the DBT-Star College Scheme and IQAC organized two workshops for B.Sc. (Hons.) and B.Sc. (Prog.) Life Sciences students.

**Dr Ragesh P R**, a faculty member in the Department of Zoology, made significant contributions during the 2022-23 academic year. He delivered an inaugural lecture on the topic "Shaping of the Immune System". Ragesh also organized a workshop on the technique of histology in 2022. Furthermore, he conducted a workshop on "Techniques for Gene Expression Analysis" specifically for III-year Zoology and Life Sciences students in 2022. He was invited to deliver a lecture on "Anti-microbial Resistance" and conducted a hands-on session on Foldscope in October 2022. Lastly, he organized a one-day seminar and interactive session on "Pollution & Human Health" in January 2023.

**Publications:**

1. Inaugural Lecture on: "Shaping of the Immune system" (9th September 2022).
2. Workshop on Understanding the Technique of Histology (15th -24th September 2022)
3. Workshop on Techniques for Gene Expression Analysis for the III-year Zoology and Life Sciences students (December 22-28, 2022).
4. An Invited lecture on Anti-microbial Resistance & Hands-on session on (13th October 2022).
5. One-day seminar-cum-interactive session on Pollution & Human Health (24th January 2023).

**Dr Jyotsna Kumari**, an Associate Professor in the Zoology Department, has conducted a study titled "Optimization of Physical Parameters for Production of Amylases and Proteases from Soil Bacteria." The study was published in the *Asian Journal of Microbiology, Biotechnology, and Environmental Sciences*, in 2023. This publication is peer-reviewed. The research focuses on optimizing the physical parameters necessary to produce amylases and proteases from soil bacteria.

**Publication:**

Optimization of Physical Parameters for Production of Amylases and Proteases from Soil Bacteria. *Asian Journal of Microbiology, Biotechnology, and Environmental Sciences*, 25(2), 56-61. (Peer Reviewed). ISSN-0972-3005(2023).
