

## **The Gardening and Greening Committee**

**Convener: Dr. Ritu Mathur**

The Gardening and Greening Committee of Zakir Husain Delhi College undertook various initiatives in the 2023-24 academic year to promote environmental awareness, sustainability, and campus beautification. The committee collaborated with the Vivekananda Study Centre to hold a tree plantation drive on January 12, 2024, in celebration of "National Youth Day." On February 22, 2024, the committee joined forces with the nature and environment society Aranya for a "Clean Campus Green Campus Drive," involving students and faculty in cleaning the campus and promoting proper waste disposal. The college excelled at the 66th Annual Flower Show hosted by the University of Delhi on March 1, 2024, winning three rolling trophies and multiple individual awards. The college's first flower show, "Pushp Madhurya," held on the 5th and 6th of March 2024, was a significant highlight, showcasing the diversity of campus-grown flowers. The committee also revived the Vermi-compost unit for sustainable waste management and initiated tree numbering and naming. To honour notable figures, three campus gardens were named: the rock garden for Dasharath Majhi, the botanical garden for Dr. Janaki Ammal, and the garden in front of the Science block for Veerangana Durgavati. Additionally, gardeners from the college attended a workshop at Lodhi Garden to improve their skills.
