

Quintessence: The Quizzing Society

Convener: Dr Mahmood Alam

Quintessence, the Quizzing Society of Zakir Husain Delhi College, has maintained a decade-long tradition of weekly intra-society quiz sessions, engaging senior members in teaching quizzing skills to juniors through orientations, review sessions, and question-framing workshops. Throughout the year, the society's members diligently produced high-quality quiz sets, sharing them with the wider quizzing community after events. Quintessence collaborated with various college departments, contributing to fests and events such as Innovision by the Commerce Society, Avaam by the Political Science Department, Pratidhwani by the History Department, and Manuski by the Ambedkar Study Circle. Additionally, they contributed a set of questions to Rambler, the college's English annual magazine, to share knowledge with a broader student audience. The society's flagship events, Quizathon and Chakravyuh, were the highlights of the academic year. Quizathon, an intra-college event held on 2 nd February, featured general and Bollywood-themed quizzes. To mark Indian Constitution Day, the society hosted "We The People," a Constitution quiz, on 23rd November
