

ARABIC SOCIETY – AL-NADI AL-ARABI

2015-2016

I take great pleasure in presenting the annual report of the Arabic Society Al-Nadi Al-Arabi for the academic session 2015-2016 which commenced on July 20, 2015.

This year, also, the Arabic Society has been able to organise a couple of events that can be attributed to the dedication and team spirit of the teachers of the department as well as the students.

Freshers' Welcome Party was organised on **September 17, 2015**. On this occasion, a quiz competition was also organised, the winners of which were declared as Miss & Mr. Freshers.

On **7th November, 2015**, the Arabic Society started a new lecture series under the title "**Nawab Ghaziuddin Lecture Series**". On this occasion Dr. Mohammad Saleem, Assistant Professor, IGNOU, delivered an important and informative lecture on "Modern and Innovative Methods of Teaching & Learning Functional Arabic".

A **Poetry Competition** was also organised by the society on **3rd February, 2016** in which a number of students of the department took an active part and made it a success.

On **4th March, 2016**, the students of Arabic department gave their performances by delivering their speeches in Arabic and showed their oratory talent in the event of **Oratory Competition** organised by the Arabic Society Al-Nadi Al-Arabi.

All these events were possible because of the commitment of all concerned, the college authorities, colleagues, teaching and non-teaching staff and the students. I owe a big thanks to all of them.
