

## **The Chemistry Society: Cheminucate 2018-19**

**Convenor: Mr. Ravikant**

The Chemistry Society “Chemunicate” started the season 2018-19 with the annual lecture on “Understanding the Nature of Chemistry” by Dr. Nirupama Jamini from Department of Education, University of Delhi on 16th August 2018.

This lecture was followed by the Departmental Fresher’s welcome on 24th August, 2018. The members of the Chemistry society pulled off the teacher’s day celebration in a unique way by presenting handmade gifts to their Gurus. The handmade pen stands and bookmarks were presented to the teachers as a symbol of gratitude and respect. This year the society took an initiative to celebrate “Green Diwali” and initiated a unique campaign of “Charity from Scratch” in which the society members assisted the road vendors in selling pens and other stationary items.

The Society emphasised on co-curricular activities to ensure harmonious personality development of its students and organised departmental tour to Mcleodganj and Trekking to Triund from 1st of March to 5th of March, 2019 for the same.

With more than 1200 participants from all over University of Delhi, the Annual Chemistry Fest *Zusammen* 2019 was successfully organized on 29th and 30th of March. Chemodian and The Radical Scavenger were two unique games specifically designed for Chemistry Students. Prizes worth four lakh attracted students from all over the University.

This year The Chemistry Society commemorated *The International Year of The Periodic Table* by hanging the entire periodic table in front of the Science Block.

The Department closed the year with by bidding farewell to its final year students on 18th April, 2019.
