

Chimera: Photography and Videography Club 2014

Co-ordinator: Dr.Mohd. Fahim

The college photography club was inaugurated only five months back. It has however been very active and has organised workshops and discussions in areas like 'Photography and Light', wildlife photography and macro photography. The students also went for photo-walks through DilliHaat, INA and HauzKhas. They also covered many college events like the play, "Kabira Khadah Bazaar Main" and the "Freshers'Takeoff"
