

GIRLS ASSOCIATION 2013

Co-ordinator: Dr Anita Katna

The society has always focussed on organizing a range of programs for the overall development of girl students. In November the society conducted a logo competition for selecting a logo for the society. This was followed by a talk on 'Women's Health and Well Being' by Dr.MamtaSaxena from GLM Hospital.

A talent search program as well as many competitive events like mehendi, rangoli and poster making were organised by the association in February, 2013.

In March the Girls Association organised a 'Self Defence Workshop' conducted by Delhi Police personnel. A demonstration of the self-defence skills for girls was given on March 19, 2013.
