

2013

Co-ordinator: Dr.Nadira Arif

Keeping up with the tradition of sensitizing and assisting students, the NSS unit of the college organised the Help Desk for admissions at the start of the academic term.

NSS volunteers helped in the organization of Independence Day assembly and distributed wearable flags to all participants.

The NSS organised several social service campaigns such as a cancer awareness program, an anti- drug and anti-ragging campaign, a 'Nukaad Naktak' on safety of women, as well as a blood donation camp.

Volunteers also visited Cheshire Home and cheered up the inmates.
