

NATURE AND ENVIRONMENT CLUB 2013

Co-ordinator: Dr. Malti Gupta

The club screened *Planet Earth – Pole to Pole* a BBC documentary in October, 2012. In January, 2013, the club organised day long activities based on the environmental protection including making rangolis from biodegradable waster. Besides this a 'Herbal Haat' and exhibition and sale of organic and natural products like haldi, honey and rajma was held in the college in February.

Al Gore during the training programme at Ambience Kempinski Hotel

A guided trip to the Asola Wildlife Sanctuary was organised for the purpose of understanding our indigenous biodiversity.

The students also participated in a workshop on 'Rhythms from the Riverbanks' organized by TERI.
