

## **Zoological Society: Inheritance 2018-19**

**Convenor: Dr. Debjani Mukhopadhyay**

The activities of the Society started with the inaugural lecture by Prof. Suman Kundu, Head, Department of Biochemistry, University of Delhi on “Interesting Advances on Hemoglobins: Beyond the Book.” The inaugural talk was followed by a formal welcome to the new students. The students of the society maintained the “Wall Magazine” including scientific articles on the graveness of environmental pollution, plastic waste, micro-plastics menace to the seas and oceans. The magazine also included the contributions of Nobel laureates of the current year and their contributions to science. In the last week of October, an excursion trip was organized to Raja Ji National Park situated in Dehradun, Uttarakhand.

Later in the year, the Department organized its Annual Zoological Fest ‘Zoomerang’ wherein many different competitive events for students of the college were organised successfully. Some such events included “Flameless Cooking”, “Blind Fold”, “Sync-in”, and “Colorama”- the scientific poster making competition of the Department. These events were all inclusive and included both the teaching and the non-teaching staff. The fest ended with the distribution of prizes and certificates to the victorious candidates.

The events and activities of the Zoological Society for the current academic year 2018-19 concluded with a ceremonial “bidding adieu” in a farewell function with best wishes for the outgoing batch.
