About the Company: **GalaxyCard**

GalaxyCard is a mobile based Instant Credit Card. It is an IT Fintech company helping customers receive, manage and re-pay their credit within the GalaxyCard app itself. Compared to a regular credit card application which takes around 3 weeks, GalaxyCard users can get access to a credit card in less than 3 minutes, without any manual intervention

JOB DESCRIPTION

- Build and nurture social media platform-specific communities and audiences
- Provide analysis and recommendations as the program evolves and can be reviewed
- Research and administer social media tools on a daily basis in support of clients' social media strategy
- Communication with team and management on project development, and timelines.
- Passion for social media and internet marketing industries
- Outstanding ability to think creatively, and identify and resolve problems
- Ability to clearly and effectively articulate thoughts and points.

PROFILE OFFERED

- Social Media Executive

ELIGIBILITY

- Open to students in final year (including passouts).

PERKS AND BENEFITS

- Fast growing team with exciting engineering challenges everyday!
- No work timings, no dress code, no micromanagement
- 100% merit driven culture. Performance is rewarded every time. No limit on compensation revisions, promotions for the performant
- No box. You work with the whole team, participate in every discussion. End to end visibility. You're not confined to just your role
- Medical insurance
- Flexible salary structure
