Institutional Perspective Plan, the Vision for the future:

Zakir Husain Delhi College endeavours to bring together teachings from our rich Indian heritage as well as promote modern scientific learning and temperament. The institution believes equally in promoting Constitutional values as well as our nation's rich cultural heritage along with the diverse Indian Knowledge Systems. The college offers courses in Humanities, Sciences, as well as Commerce streams and promotes scientific wisdom through basic science subjects as well as through **Vedic Mathematics, Ayurveda and Indian Philosophy**. Further, the institution encourages integration of **Yogic Sciences and Meditation** for overall development of the students aligned with the vision of the futuristic NEP curriculum.
