A Legacy of 300 Years

The journey of Zakir Husain Delhi College started as the Oriental College for Literature, Science and Art. In 1825, the institution was renamed Delhi College by the British East India Company's government. In 1828, the college added a new course of study in English language, literature and science. Hence, apart from preserving traditional systems of knowledge, Delhi College was one of the pioneers in offering English education in the country, providing a constructive engagement between the oriental and western intellectual traditions, particularly before the 1857 revolt. The college answered to the needs of the city by providing a distinctly diverse cultural ambience that cherished composite culture and a spirit of mutual accommodation. By the early twentieth century it became the centre of vibrant scientific and literary intellectual activities that would be referred to as the 'Delhi Renaissance'. In 1842, the college shifted to Dara Shikoh's library near Kashmiri Gate and the Delhi College Translation Society was set up as its adjunct in 1843.

After the revolt of 1857 in which the revolutionaries plundered the college, the institution passed through many vicissitudes. The British authorities closed the institution after the revolt. Between 1864 and 1871 intermediate Bachelor of Arts and Master of Arts classes commenced. However, the British government transferred the Delhi Oriental College to Lahore in 1877. It was reconstituted as the Anglo-Arabic Intermediate College in 1924. The college was affiliated to Delhi University in 1925 and became one of its constituent degree colleges in 1929. The college was attacked and set on fire by mobs following the partition. Somehow, the library and office records were saved. With the support of Dr. Zakir Husain and others, the Delhi College was revived in 1948. In 1975, the college was renamed Dr. Zakir Husain College to honor his contribution to the institution. In 1986, the college campus was shifted to its present location, Jawaharlal Nehru Marg. The current location of college outside the Turkman Gate geographically and symbolically unites Old Delhi with New Delhi, merging old traditions towards progress and modernity. The Zakir Husain Memorial Trust in its meeting, held in July 2010 and chaired by Hon'ble Prime Minister Dr. Manmohan Singh, unanimously resolved to rename the college as Zakir Husain Delhi College.

In its journey of three centuries, what remains unchanged is the institution's commitment to dissemination of knowledge and the creation of a scientific temper, together with promoting secular and progressive values. The college achieved Grade 'A' from the National Assessment and Accreditation Council (NAAC) in the year 2016 in its very first cycle of assessment. In addition, the institute was awarded the status of DBT-Star college which is a testimony for its unwavering commitment towards imparting scientific knowledge.

UGCF-2022

The Undergraduate Curriculum Framework-2022 (UGCF-2022) underlines the historical perspective, philosophical basis, and contemporary realities of higher education as enshrined in the National Education Policy 2020 and endeavors to synchronize these cornerstones while charting the road ahead for the state of higher education.

The University of Delhi, a premier set of teaching, learning, and research in higher education, acclaimed nationally and internationally, has nurtured the quest for reaching the peak in every sphere of education, in its true sense, in the process of its contribution to the nation-building. Being a Central University, mandated to act as the torchbearer in expanding the horizons of human resource development through the expansion of higher education, it has always paid an adequate premium towards constructive and meaningful innovation as a regular feature in its undergraduate curriculum development over the years.

A reflection of such sustained and continued endeavour is amply exemplified in the successive revision of undergraduate curricular framework over the decades and especially in the last two decades, keeping pace with the emerging trends in higher education in the new millennium globally and its critical importance in enriching the youth of our nation, well equipped with the prevailing priorities of skill development through innovative and practical-oriented teaching-learning more than anything else.

To actualise the noble objective, as succinctly brought out in the National Education Policy 2020, the university has endeavoured to explore the possibility of further restructuring and refinement of its undergraduate curriculum framework in line with the objective and underlying philosophy of the NEP 2020 to capture the imagination of the youth of our nation which depicts the contemporary realities of our demographic advantage globally.

The resultant outcome of this comprehensive exercise undertaken by the university is the Undergraduate Curriculum Framework-2022 (UGCF-2022) which not only underlines the heart and soul of the NEP 2020 in letter and spirit but also goes on to create a teaching-learning framework at the undergraduate level to attract the young minds towards research, innovation, apprenticeship, social outreach, entrepreneurship and similar such areas of human knowledge and endeavour while imbibing the truly charged academic environ of the university and its constituent colleges.

This Institution of Eminence (IoE) has left no stones unturned in its quest for excellence in higher education in the last century, and UGCF-2022 is destined to take this rich tradition ahead in the new millennium on the historic occasion of the Centenary Celebrations of the university.

The Undergraduate Curriculum Framework- 2022 (UGCF) is meant to bring about systemic change in the higher education system in the University and align itself with the National Education Policy 2020. The following objectives of NEP are kept in perspective while framing UGCF:

- to promote holistic development of students having the world view of a truly global citizen;
- to provide flexibility to students so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their paths in life according to their talents and interests;
- to eliminate harmful hierarchies among disciplines/fields of study and silos between different areas of learning;
- multidisciplinary and holistic education to ensure the unity and integrity of all knowledge;
- to promote creativity and critical thinking and to encourage logical decision-making and innovation;
- to promote ethics and human & Constitutional values;
- to promote multilingualism and the power of language in learning and teaching;
- to impart life skills such as communication, cooperation, teamwork, and resilience;
- to promote outstanding research as a corequisite for outstanding education and

- development;
- to incorporate Indian Knowledge System relevant for a particular discipline or field of studies.

An overview of the UGCF 2022 , clearly brings out the multidisciplinary approach, adherence to innovative ways within the curriculum framework to allow the student maximum flexibility in pursuing his/ her studies at the undergraduate level to the extent of having the liberty to eventually design the degree with multiple exit options depending upon the needs and aspirations of the student in terms of his/ her goals of life, without compromising on the teaching learning, both in qualitative and quantitative terms.

The university expects maximum involvement of the student fraternity in utilizing the benefits of such a flexible yet rigorous curriculum framework at the undergraduate level and reaping the benefits of it through the enrichment of their skills in their area of interest which will eventually help them in gaining employment, entrepreneurship, start-ups and various other ways of a dignified life and living as a global citizen with comparable skills and innovative ideas befitting to the contemporary global demands. The university expects the youthful nation to reap the maximum benefits out of the UGCF-2022 in developing skilled manpower to harness the youthful energy at one hand and expand the permeation of the skilled workforce globally, taking the demographic advantage on the other hand.

राष्ट्रीय स्वयंसेवक संघ के सह सरकार्यवाह डा.कृष्ण गोपाल ने कहा कि अंबेडकर मानते थे कि संविधान को व्यवहार में लाना चाहिए। समता, स्वतंत्रता और बंधुत्व की भावना संविधान का मूल है। डा. गोपाल ने ये विचार सोमवार को जाकिर हुसैन दिल्ली कॉलेज में डा. भीमराव अंबेडकर सेंटर के सहयोग से आयोजित व्याख्यान में व्यक्त किए।

कार्यक्रम की शुरुआत दीप प्रज्वलन एवं विश्वविद्यालय के कुलगीत से की गई। कॉलेज के प्राचार्य प्रो. नरेंद्र सिंह ने डा. कृष्ण गोपाल का परिचय देते हुए उन्हें राष्ट्र के प्रति समर्पित सेवक कहा। डा. कृष्ण गोपाल ने संविधान सभा में दिए डा. अंबेडकर के अंतिम भाषण की प्रासंगिकता को रेखांकित किया। डा. कृष्ण गोपाल ने स्वतंत्रता, बंधुता, समानता तीनों के महत्व और योगदान की चर्चा की।

प्लेसमेंट सेल की ओर से आयोजित जॉब व इंटरशिप फेयर में 250 छात्रों को नौकरी की पेशकश; पहले, दूसरे व तीसरे वर्ष के 300 छात्रों को इंटरशिप का ऑफर अमर उजाला ब्यूरो

नई दिल्ली। दिल्ली विश्वविद्यालय के जाकिर हुसैन कॉलेज में जॉब व इंटरशिप फेयर में स्नातक के चार छात्रों को अधिकतम सैलरी पैकेज के रूप में 7.5 लाख रुपये के जॉब ऑफर की पेशकश की गई है। यह ऑफर बीते साल के प्लेसमेंट से करीब 25 फीसदी ज्यादा है। वहीं न्यूनतम सैलरी पैकेज के रूप में 3.5 लाख रुपये की पेशकश हुई है।

कॉलेज में पांच व छः मार्च को जॉब व इंटरशिप फेयर आयोजित किया गया। इसमें 300 छात्रों को इंटरशिप के ऑफर व 250 छात्रों को जॉब ऑफर किए गए। कॉलेज के

अनुसार बीते साल के मुकाबले में यह इस फेयर में बेहतर रखास मिला है।

कॉलेज के प्लेसमेंट प्रमुख डॉ धीरज कुमार सिंह के अनुसार दो दिन के इस जॉब व इंटरशिप फेयर में करीब 45 कंपनियों कॉलेज परिसर में पहुंची। इनमें टाटा एआई, टेक महिन्द्रा, जियो टेक जैसी कंपनियां शामिल हैं। इन कंपनियों ने विभिन्न चरणों के आधार पर 250 छात्रों को जॉब की पेशकश की है।

अधिकतम सैलरी पैकेज 7.5 लाख रहा है। जो कि चार छात्रों को मिला है इनमें एक मैथमेटिक्स व तीन कॉमर्स प्रोग्राम के छात्र हैं। केवल तीसरे वर्ष के स्नातक छात्रों को ही नौकरी की पेशकश हुई है। इसमें कॉलेज के छात्रों के साथ-साथ बाकी कॉलेजों के छात्रों ने भी हिस्सा लिया।

डॉ सिंह ने बताया कि यह जॉब व इंटरशिप फेयर इसलिए अच्छा रहा है कि क्योंकि एक तो इस बार

ज्यादा कंपनियां कैम्पस पहुंची हैं। पिछले साल करीब 36 कंपनियों की संख्या 45 रही है। वहीं बीते साल की तुलना में सैलरी पैकेज में भी 25 फीसदी का इजाफा हुआ है। इस फेयर में छात्रों का उत्साह बढ़ाने के लिए सेंट्रल दिल्ली के डीसीपी एम हर्षवर्धन व वित्त मंत्रालय में संयुक्त निदेशक दीपिका श्रीवास्तव समेत कॉलेज प्रिंसिपल नरेंद्र सिंह मौजूद रहे।
