Dear Sir/Madam,

As per the decision taken by the University the total number of intake in each course is to be increased by 54% from the academic year 2010-2011, taking 2006-2007 as the base year.

The University has prepared college/course wise intake for the Under Graduate courses for the Academic year 2010-11 and onwards. Distribution of seats among various categories of students will be as per the sample calculations made in the sheets attached.

However, other modalities for admission of OBC candidates will remain unchanged.

Discrepancy, if any, noticed in the sample calculation, may kindly be pointed out to the Dean, Students' Welfare, University of Delhi, Delhi-110007 within 15 days of the date of this letter.

Thanking you,

Yours faithfully,

## Message from the Hon'ble Vice Chancellor

3/111

*Dear Aspiring Students*

I extend a very warm welcome to all those who are aspiring for admission for the academic session 2023-24 to the University of Delhi, a premier University with a century old rich legacy.

It gives me immense pride to share with you that our University, established and incorporated in 1922 through an Act of the then Central Legislative Assembly, has completed its hundred glorious years on 1st May 2022. The University, which comprised of 03 Colleges, 02 Faculties, 08 Departments with 750 students in 1922, now has expanded to over 90 Colleges, 16 Faculties, and 86 Academic Departments, spread over 407 acres across Delhi, with a student strength of more than 6.7 lakh. The University has students from all states of Bharat and reflects a microcosm of the rich diversity of this country.

You would be happy to know that the University of Delhi is a premier university acclaimed nationally and internationally. The National Institutional Ranking Framework (NIRF) for the year 2022 had placed the University at 13th rank among Indian universities. As per the Centre for World University Rankings (CWUR), the National Rank of the University of Delhi is 6th for academic excellence in the year 2022-23. The University has also been ranked high by various International Ranking bodies; among them, the Times Higher Education Asia University Ranking had placed the University between 201-250 and as per the QS World University Ranking, the University is stated to be between 521-530, and the QS Asia University Ranking (2023) for the University is 85.

The University of Delhi is a pioneer in providing the world class academic and research platforms to its students in terms of teaching, learning, and research. Continuing with its legacy of being a torchbearer in achieving academic excellence, it has implemented the National Education Policy (NEP) 2020 at its undergraduate programmes through its Undergraduate Curriculum Framework 2022 (UGCF 2022) from the academic year 2022-23. The UGCF 2022 has been formulated with a student-centric approach in providing academic flexibility of choosing the programmes/disciplines of study, developing academic pathways through selection of academic, multidisciplinary, skill-enhancement, value-added, and ability enhancement courses, thereby optimizing the students' strength to the best possible extent. Provision for internship, apprenticeship, social outreach, projects, entrepreneurship, research and innovation, which are the fundamental principles of the National Education Policy 2020, have been embedded in UGCF 2022. The university endeavors to nurture the innate potential of each individual with an aptitude for community service, p research with strong sense of nationalism and ethics.

The University also took a lead in overhauling the undergraduate admissions from the academic sessions 2022-23 by adopting a single-entry point for admissions to all its undergraduate programs through Common University Entrance Test (CUET). The University established a paradigm shift in ensuring equal access for enrolment of candidates from different disciplines, examination boards, regions, and demographics across the nation through CUET.

By making a transition from Board-marks-based admissions to a single-entrance-based admissions, the University of Delhi witnessed several changes which are indeed welcoming. A landmark achievement of the admission cycle 2022-23 has been the formulation of a new admission policy through the Common Seat Allocation System - UG 2022 (CSAS-UG 2022). Through CSAS-UG 2022, the University has moved towards a complete student-friendly online admission process, centralized allocation of seats based on CUET merit scores, and preferences opted by candidates. Implementing the One-Applicant-One-Allocation policy ensured that all meritorious candidates could get a seat of their preference in a transparent, fair, and inclusive manner in an expedited manner.

From the academic session 2023 onwards, the University has extended its policy of single admission exam to its Postgraduate courses as well. From this year onwards, admissions to all postgraduate courses of the University shall also be made through Common University Entrance Test-PG (CUET-PG).

As the academic fraternity continue to commemorate the legacy and contribution of University of Delhi in its effort to create all-rounded, multi-skilled and socially responsible global citizens, I, once again welcome you to this prestigious University and look forward to your valued role and contribution in furthering the strength and glory of this much-acclaimed institution, in particular, and to the nation, at large.

Best Wishes!
